

CROWN APPLIQUE

Jehs + Laub

The Crown collection, an iconic contemporary suspension lamp, born from an intuition by Jehs+Laub and inspired by the silhouette of a snow crystal, is enriched with a new wall-mounted version that increases its efficiency and brightness. Sandblasted highly reflective diffusers. The product is enriched with G-9s in the PLUS version, which are both longer and more efficient, exclusively designed for the Crown wall.

G9 QT-14 LED
